

Massachusetts Senior Farmer's Market Nutrition Program

We can't believe it's already September! In June, we provided you with some information about the senior farmer's market nutrition program. Before the season is over, we wanted to take the time to remind you of some locations of the GoFresh Mobile market in Springfield where you can use your **free \$50 farmer's market coupon booklet**. If you'd like more information about the Senior Farmer's Market Nutrition Program, please call us at 413-781-8800. Check <https://massnrc.org/farmlocator>
